

Privacy Policy

Effective Date: September 16, 2025

Combined Web Technologies, Craft for Computer Programming, Consulting, and Related Activities (hereinafter "CWT"), owned by Moreno Franjković, located at Vriska 4a, Zagreb, takes the privacy of personal data seriously. This Privacy Policy outlines how we handle your personal information in accordance with the General Data Protection Regulation (GDPR) and other applicable laws.

Data Privacy Officer:
Moreno Franjković
Email: moreno.franjkovic@seaspace.ai

Introduction

By voluntarily providing us with personal data through the use of our website (chatbotapp.cwtai.co) or its services, you ("visitor") consent to the storage and processing of your data in accordance with this Privacy Policy.

Personal Information

Any personal information that users choose to provide through the site, including via contact forms, is entirely at their discretion. CWT does not collect any personal information nor track user behavior.

Cookies

We use only necessary technical cookies required for authentication. A cookie is a piece of data stored on a site visitor's hard drive to help improve access to our site and identify repeat visitors. You can decline and restrict the usage of cookies or delete them through your personal browser settings.

More information about cookies can be found at <https://allaboutcookies.org/>.

Storage and Processing of Anonymized Data

As long as we have open communication regarding business cooperation, we will store and use your personal data necessary for establishing and maintaining our business relationship. You have the right to request the cessation of the processing of your personal data at any time.

We automatically generate and store anonymized information from visitors of our website in internal log files. This information includes:

- Type and version of your browser
- Type and version of your operating system
- URL from the site you reached our website (referral-URL)
- Date and time of your visit
- Location
- Subpages visited

This information is stored and processed for statistical purposes in an anonymized form exclusively, so that it cannot be assigned to individual persons.

Links to and from External Websites

Our website contains links to external websites run by other organizations. This privacy policy applies only to this website and not to external websites that we link to, which will have their own privacy policies. If you link to our website from an external site, we recommend checking the privacy policy of that external site.

Changes to this Privacy Policy and Legal Disclaimer

Whilst we make every effort to ensure that the information on this site is accurate and complete, we do not accept any liability arising from any inaccuracy or omission in any of the information on our website.

Accuracy of Information

We may update or revise this Privacy Policy from time to time. You can find the most current version on our website.
